RED LADDER THEATRE COMPANY & UNITE THE UNION PRESENT:

# WE'RE NOT GOING BACK

Unite the Union offers Community Members 2 for 1 on tickets to see **We're Not Going Back**

In this hard-hitting musical comedy we follow the fortunes of three sisters determined to set up a branch of Women Against Pit Closures. **We're Not Going Back** tackles the resilience of working communities, the make-and-mend fabric of family and the power of sticking two fingers up to a government hell-bent on destruction... and all with humour, song and that six-pack of Babycham.

For further information on the show visit [Red Ladder's Website](#).
