<b>Position in union (if any):</b>
<b>Are you/have you been involved in any political activity? (NB: this is not just limited to party political activity but could include community campaigning, activism in organisations like anti-cuts, anti-Bedroom Tax, student activity and so on). Please give details:</b>
<b>Why do you want to attend the course?</b>
<b>The objective of the school is to develop more activists to work with us on winning Unite's political strategy so we need a commitment from you that you will participate in a minimum of three actions (and hopefully much more) over the following 12 months. This could range from attending meetings, speaking to members, leafleting, or joining demonstrations to higher profile actions like speaking at public meetings, doing media work and so on – you won't be forced to do anything you don't feel able to do and we can help with training, but we need a commitment to do something! Please sign to confirm you are happy to give that commitment:</b>  <b>SIGNED:</b>
